*NextGen Savings Portfolio: Capitalized terms used in this paragraph are defined in the NextGen 529 Client Direct Series Program Description. The portion of the underlying deposits in the Bank Deposit Account that is attributable to the Units held by a Participant in the NextGen Savings Portfolio is (a) eligible for FDIC insurance coverage of up to \$250,000 per Participant (calculated on a basis which aggregates that portion of the underlying deposits attributable to the Units held by the Participant in the NextGen Savings Portfolio with all FDIC-insured assets held by the Participant at the Bank) and (b) for purposes of FDIC insurance coverage only, considered to be held in the same ownership capacity as a Participant's other single ownership accounts held at the Bank. However, Units of the NextGen Savings Portfolio are not insured or guaranteed by the FDIC or any other agency of state or federal government, FAME, the Bank or the Program Manager, nor does a Participant have a direct beneficial interest or the rights of an owner in the underlying deposits in the Bank Deposit Account. Participants are responsible for monitoring the aggregated value of the portion of the underlying deposits of the NextGen Savings Portfolio attributable to the Units of such Portfolio held by a Participant plus their other deposits held directly with the Bank, for purposes of the \$250,000 FDIC insurance coverage limit. Deposits held in different ownership capacities, as provided in the FDIC rules, are insured separately. UGMA/UTMA Accounts are generally treated as assets of the Designated Beneficiary, and other types of trust Accounts may be treated as assets of the trustee, for purposes of the FDIC limit. Custodians of UGMA/UTMA Accounts and trustees of trust Accounts should consider how these assets will be treated for purposes of the FDIC limit. For more information, please visit www.fdic.gov.
