Before you invest in NextGen, request a NextGen Program Description from your Merrill Lynch Financial Advisor or Maine Distribution Agent or call Merrill Edge at (877)-463-9843 and read it carefully. The Program Description contains more complete information, including investment objectives, charges, expenses and risks of investing in NextGen, which you should carefully consider before investing. You also should consider whether your or your designated beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's 529 plan. Merrill Lynch, Pierce, Fenner & Smith Incorporated, a registered broker-dealer, member SIPC, is the program manager and underwriter.
