Headline/Subject Line: Looking for resources to help plan ahead for your child's future education success?

We're sharing this important message with you from the Alford Scholarship Foundation (ASF) and the Finance Authority of Maine (FAME). Our school is pleased to be participating in the Invest in ME Kindergarten initiative. Learn more about Invest in ME Kindergarten at BrightFutureforME.com.

As you may know, ASF has invested a \$500 Alford Grant for every baby born a Maine resident since January 1, 2013¹. The Alford Grant is a grant for education beyond high school.

Many Maine children entering kindergarten this fall have been awarded the Alford Grant. Whether or not your child has received the Alford Grant, kindergarten is a wonderful time to start thinking about your child's future and the things that you can do to help them prepare for higher education success.

FAME and ASF want Alford Grant families to receive information about the value of the Alford Grant, education savings programs, and helpful tips that can help a child as they grow and continue their education. Please help FAME stay in touch with you by providing or updating contact information online.
