Appendix - Withdrawal request guidelines

The federal and state tax consequences associated with the Program are complex, and Participants should consult a qualified tax advisor regarding the tax rules associated with their particular circumstances before taking a withdrawal.

- Withdrawal requests may take up to five business days to process.
- Vestwell does not require documentation other than the Withdrawal Request Form to process a withdrawal request. However, clients should retain all receipts for qualified higher education expenses with their other important tax documents.
- Only one distributee is allowed per Withdrawal Request Form. If you are requesting a withdrawal for qualified higher education expenses to be paid to multiple distributees, you must complete separate Withdrawal Request Forms.
- An Eligible Institution of Higher Education must meet two requirements:
 - (1) It must meet the accreditation criteria, as described in Section 481 of the Higher Education Act of 1965 (as in effect on Aug. 5, 1997); and
 - (2) It must be eligible to participate in Title IV U.S. federal financial aid programs. (If the Department of Education has assigned the institution a Federal School Code, then generally it has met these requirements. See www.fafsa.ed.gov for more information.)

Qualified withdrawals: Withdrawals for qualified higher education expenses or eligible rollovers.

- Tax treatment – Qualified withdrawals, including any earnings, will not be subject to federal taxes. (For state tax treatment, please check with your local state government.) Participants should retain adequate records relating to withdrawals for tax-reporting purposes.

Qualified higher education expenses include: The costs of tuition, fees, books, supplies and equipment required for enrollment or attendance, certain room and board expenses of a Designated Beneficiary at an Eligible Institution of Higher Education, expenses for the purchase of computer or peripheral equipment (as defined in Section 168(i)(2)(B) of the Code), computer software (as defined in Section 197(e)(3)(B) of the Code), or Internet access and related services, if such equipment, software, or services are to be used primarily by the Designated Beneficiary during any of the years the Designated Beneficiary is enrolled at an Eligible Institution of Higher Education, and expenses for special needs services in the case of a special needs beneficiary that are incurred in connection with enrollment or attendance at an Eligible Institution of Higher Education.

Room and board expenses – Room and board expenses are eligible expenses only if the Designated Beneficiary is enrolled in a degree or certificate-granting program at least half-time at an Eligible Institution of Higher Education. For students living at home with parents, as well as students not living in institutionally owned or operated housing, the Eligible Institution of Higher Education “cost of attendance” allowance for federal financial aid purposes will be the room and board amount treated as a qualified higher education expense. For students living on campus or off campus in institutionally owned or operated housing, the amount of room and board treated as a qualified higher education expense can be the actual amount charged to the student.
